FACILITY NEWS

2006 has been a very eventful year for us; as you can see by our 'Year at a Glance' Angel Staffing is growing.

Aside from being awarded 8 new contracts this year, we have increased our filled shift vs. booked shift ratio in both the Methodist and Baptist Healthcare Systems. Both facilities have contracts ranging from 4-13 weeks available that need to be filled with qualified nurses on a year round basis.

Our newest contract at Kindred Hospital is an exciting one. Kindred is a 59 bed acute care facility and we are able to offer great rates for all RN's, LVN's and RT's.

As always, visit our website at

to view new contracts and rates as well as to catch up on new and exciting events we have going on.

2ND ANNUAL

HOLIDAY SOIREE

On December 16, 2006 Angel Staffing held it's 2nd Annual Holiday Soiree at the beautiful home of our CEO, Shannon Ralston.

The food was great and the company even better. With over 100 employees attending, it was a night to remember. Stretch limousine service was offered and 40 individuals took advantage of it! We had 4 limo's running continuously from 6:30pm through the wee hours of the night. We were delighted to bring down our 'Angels' from Ft. Hood so they could mingle with all of us locals and enjoy San Antonio. Thanks for coming, Tina, Rene and Teisha!

To all of you who were able to make it, we enjoyed spending the time with you; and for those of you who were not able to attend, we look forward to seeing you next year!
